HISTORY WORKSHOP 2: THE HOLOCAUST

START THE SLIDE SHOW

SLIDE 2

Give time to students to discuss the question (Intervene if discriminatory claims are made).

SLIDE 4

Explain the picture. Children of certain groups that are shown later on in the slide show, used to be separated by their parents. Many parents ended up doing forced labour or sent directly to death.

AFTER THE SLIDESHOW IS READY

Give time to the students to reflect on the information that was given to them.

Questions that might help the discussion:

- How do you feel about what you saw?
- Do you think that this might happen again?

(The teacher can give current information: In Hungary, trans people had the right to change their legal documents but the right-wing government who is in power is taking back those rights. President Trump in 2019 passed a law which forbid Trans person to stay or enter in the military)

- What can be done to prevent this from happening?

(The teacher can add that most of the time, when governments attack LGBT+ people, they do not only attack them but also other minorities such as women, black and poor people)
